

# CELEBRATING STORIES of HOPE

**SCHOOL FOR REFUGEE CHILDREN**

**CHILDREN'S TRAINING CENTRE (CTC)** WAS ESTABLISHED IN 2009 FOR MYANMAR REFUGEES WHO LIVED AROUND THE VICINITY OF SETAPAK, KL. CTC IS SPONSORED BY LOCAL CHURCH HOPE EFC, AND ENDORSED BY UNHCR.

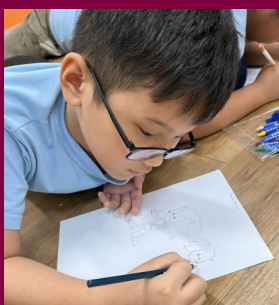

**T**oday, our enrolment is 287 students comprising 5 nationalities and 12 ethnic groups. CTC occupies 4 rented shoplots operating morning and afternoon sessions. Our staff of 15 teachers (13 refugees, 2 locals) and Administrator teach classes from kindergarten all the way to Grade 8.

Although CTC is a fee-paying school, our school fees are intentionally affordable to offer accessible education to as many

refugee children as possible. **This year our Charity Dinner is on 5th October. The event will feature children's performances, stories of displacement and hope, ballet and more.**

You can give towards our work among one of the most marginalised communities in the country by purchasing a **Silver** or **Gold Table**. Your support will go a long way to help CTC provide a safe learning environment for refugee children and a ray of hope for their future.
